

# Heathers French Dip Sandwhich

## Here's what you'll need:

1 can of beef broth  
1 can of water  
1 pkg ranch dressing mix  
1 pkg Au Jus mix  
1-2 lb roast (London broil, or your favorite cut)  
1 French loaf  
Mozzeralla cheese

## Here's how you do it:

In a crock pot add and mix the following ingredients (from the list above) :

beef broth  
water  
ranch dressing mix  
Au Jus mix

Add London Broil, or other cut of your favorite roast.

Cook on high for about 6 hours. When meat easily pulls apart to shred, it's done. Shred meat to your liking.

Slice French Loaf, butter the slices, arrange on baking sheet. Top each slice with a good amount of mozzarella cheese. Put in the oven to toast/warm. (350 for 10 mins should do it, or put it under the broiler - - toast to your own perfection.)

When your toast is done – assemble your sandwiches to your liking.
